Happy New Year!

What better way to start the new year than with announcing the winner of the 2012 Constant Law Group Charitable Contribution? And the winner is...

Forever Home Rescue New England!

Congratulations to Forever Home Rescue New England! They did a great job getting word of their nomination out to their supporters through their Facebook page. They received over 88% of the votes! We hope that our contribution will help their mission of rescuing dogs from high kill shelters or abusive and neglectful situations.

Don't forget to look for Legacy Ledger in your mail box later this month. As always, please feel free to contact us with any questions or to schedule an estate planning consultation. Thank you for your continued support and all the great feedback!

Sincerely,
George Constant

IMPORTANT: The American Taxpayer Relief Act of 2012

As you probably know, Congress avoided the so-called fiscal cliff by passing - at the 11th hour - the American Taxpayer Relief Act of 2012 (the 2012 Tax Act), signed into law by the President on January 2, 2013. The 2012 Tax Act makes several important revisions to the tax code that will affect estate planning for the foreseeable future. What follows is a brief description of some of these revisions - and their impact: [Continue...](#)

Building a Family Legacy: A New Tradition To Start This Year

If you have children, what kind of legacy are you leaving for them? Many parents tend to think of life insurance policies, bank accounts and the inheritance they are working so hard to leave behind someday for their kids. But the most valuable legacy you can leave for your children has nothing to do with money. [Continue...](#)

Know Your Child's Learning Style

Learn how your child learns, and you'll do a better job of helping him or her in school. Education experts say most children (and adults, for that matter) excel with one of these main styles: [Continue...](#)

How To Get Ideas Flowing

Some days, ideas pop into your head without any effort at all; other days you probably feel like you're digging for them at the bottom of a very deep ditch. Don't get frustrated. Try this approach for generating a fresh concept or two: [Continue...](#)
